Chairperson: Dr. P. Parameswaran

Conveners: Dr. Muniyandi Sankaralingam
Dr. Raju Dey

Registration &

Abstract submission: 15-10-2019 to 20-12-2019

Abstract confirmation by 30-12-2019

Registration fees:

Rs 2000 for Students/PhDs/Postdocs

Rs 3000 for Faculties/Scientists

Rs 10000 for Industrialists

*Conference featuring talks across the
spectrum of catalysis*

- *Homogeneous Catalysis*
- *Heterogeneous Catalysis*
- *Nanocatalysis*
- *Biomimetic Catalysis*
- *Photocatalysis*
- *Electrocatalysis*
- *Computational Catalysis*

NITC

Set in a picturesque landscape at the foothills of the Western Ghats, National Institute of Technology Calicut (NITC) is located about 22 kilometers north-east of Calicut city. The programmes and courses offered at NITC are designed to provide a balanced blend of basics of any field and adequate exposure to cutting edge ideas, research and technology in the area.

Department of Chemistry

In education and research, the Department of Chemistry is emerging as a centre of excellence, through state of the art academic activities and research. Backed by passionate faculties, the Department offers research and post-graduate level courses covering various fields of chemistry.
